Total Income: \$ 875,725.40
 Total Expense: \$ 860,569.19

Number of **volunteer hours**: 30310!

Our Daily Bread is an Over-the-Rhine ministry of hospitality, comprised of paid staff and volunteers, dedicated to serving the needs of the neighborhood residents and those who frequent the area.

Our Daily Bread provides a warm meal in a comfortable, safe place for all who come, a place where all are invited to be part of a community that is caring,

She is our guest. Her name is Sherri Lindsay and she is 48 years old. She went on to say.....

The highlight of my life was having four, very special children, who grew up to be nice, successful adults. I am a good homemaker. Now I have my own apartment which I keep clean. My aunt gave me a plant a few months ago when I was in the hospital. I took it home, and it is really growing well! It's just me and my plant there.

Years ago I worked as a receptionist at a food pantry. I called people and invited them to come and pick up what they needed.

What I want people to know about the homeless and poor is that whoever you are, God still loves you. Ask for help whenever you are in trouble. Don't be afraid to ask. I do.

I appreciate getting the bag of food because I only have what food my mother brings me. I suffer from mental illness and can't work steadily.

Those we partner with.....

Ohio Justice and Policy Center (OJPC): 2nd chance legal clinic: **430** assisted.

OJPC is a non-profit law office that works for productive, statewide reform of the criminal justice system by promoting rehabilitation of incarcerated people; enabling them to successfully reintegrate into the community and eliminating racial disparities in the criminal justice system.

Tri-Health Parish Nurse Program (Sr. Phyllis Kemper): **360** patients seen.

The parish nurse is available for individualized, one-on-one sessions to discuss personal health issues, assist the client with health care decision making, and to make hospital, home, and nursing home visits as necessary. Referral Source- The parish nurse links clients to a variety of community resources and services. These may include physician referrals, self-help or twelve step groups, federal, state or local agencies, legal assistance groups and older adult programs.
